

Thurs. Morning
9:20 A.M.

Dear Jimmy,

I am sitting under the hair dryer over at Dienes so will get a few lines written to you.

Florence arrived last Thursday so has been here a week today. I have taken her all over and Monday we went to Westport for lunch. She loved the ocean. We come back the same day. I took Mrs. Jensen also. She and Florence get along real good. Florence is going to leave next Monday.

Tonight I start my Swedish class. It is from seven to nine.

Mary has been job hunting and is quite interested in one in which she had an interview.

she wishes she had accepted it right away but she is going to call this morning to see if it is still available. It is for an insurance company and it is a personnel job. The starting salary is \$520. a month

Jeanne is home from the hospital and is getting along fine. Her Mother-in-law is there to help her out.

The Wash.-Michigan game is going to be on television Saturday so of course dad is looking forward to that.

I hope the wedding went along fine.

Neva is taking us to lunch today at Frostys in Kirkland.

More later.

Love,
Mom.

I am home now from having my hair fixed. I just talked to Mary and helped her into deciding not to take the job. She didn't really want it so now she will plan to go back to Olympia when the Reg. convenes. She makes a lot of money there and will have a bigger job this session.

I counted and wrapped the pennies and it all came to twenty-five dollars. Your estimate was close.
